## Deaths.

Mrs. Hannah C. Boyd, mother of Mr. J. T. Boyd, died at her home, 427 Queen street, this morning. The deceased was 88 years old. She was born in Baltimore and her remains will be interred at Mount Grace. Funeral services will be held at 6 o'clock tomorrow afternoon.

Mrs. Pearl Hoy, wife of Mr. John Hoy, died suddenly at her home on Fairfax street, near Wolfe, last night. The deceased had apparently been in her normal health during the day with no symptoms of approaching illness when she was suddenly stricken with what was supposed to be acute indigestion. Her condition became alarming and later two physicians were summoned to her relief. They discovered that she was suffering from acute Bright's disease, and her death soon followed. Mrs. Hoy was a native of Washington.

Julian, the 2-year-old son of Mr. Charles and Mrs. Virginia Haynes, died at his parents' residence on north Royal street this morning.

Joseph Peyton McClintock, aged 34 years, died at his home near Edsall's station, Fairfax county, yesterday.

## Acknowledgments.

The Southern Planter has been received from its Richmond publishers and is a very interesting number. It contains well-written articles on soy beans, a cattle feeding farm, notes on clover, alfalfa in North Carolina, cost of harvesting hay, fruit prospects in Virginia, stock breeding, the horn fly, &c.

We have received from the faculty and senior class of the Virginia Polytechnic Institute, at Blacksburg, with the compliments of Mr. R. P. A. Johnson, of this city, an invitation to attend the commencement exercises of that institute which begins on June 9 and continues till the 15th.

We have received from the joint committee of arrangements an invitation to attend the final celebration of the Fairfax and Blackford literary societies of the Episcopal High School, which will be held on Tuesday, June 13, at 8:15 p. m.

## Change in Music.

At St. Mary's Church on Sunday a letter was read to the congregation by the pastor, Rev. H. J. Cutler, from the Bishop of Richmond, directing that, in order to carry out the reforms in church music made by Pius X., a choir, composed either of boys or adults, or both combined, be trained in Gregorian music to sing at all the public services of the church. All modern music of a profane or theatrical character is to be rigorously excluded. Rev. Father Cutler announced in obedience to the order of the bishop that a meeting of the men of the parish would be held at the Lyceum next Sunday, when steps will be taken to organize a choir in accord with the wishes of the Pope. The change will be made next September.

## The Carnival.

The Jones-Adams Carnival opened its engagement on the old fair grounds last night under the auspices of the Alexandria Light Infantry. A very large crowd was present and the various shows were well patronized. The trained wild animal show attracted a great deal of attention, large numbers wishing to see Isolda Russell enter the cage of "Wallace," the mad lion. Kelley's Old Plantation and the "Girls in Red," are making a hit with the crowds. The principal features of the Carnival are "Ira," the midgit, and "Parkhurst," the man without bones. These two are curiosities of the highest order. No electricity could be gotten for the lights last night, but everything will be in readiness for tonight.

## Fined for Assault.

Last Saturday night William and Louis Wiley entered Mr. Thomas Nugent's saloon, northeast corner of Gibson and Pitt streets, and ordered beer for which they were unable to pay. The beer was put back of the counter by the bartender, and when Mr. Nugent appeared in the room the two men drew knives and flourished them about his head. The brothers finally made a hasty exit from the saloon and broke a large pane of glass in the door in passing out. Officers Allen and Bell arrested William Wiley and he was fined \$5 in the Police Court this morning. His brother Louis could not be found.

## Fined for Gambling.

Officers Beach and Nicholson last night arrested on the old fair grounds a young man named James McDonald who, it was alleged, was operating a gambling device in the shape of diminutive teapins, each of which was numbered. A customer paid so much for the privilege of knocking down the pins, and the numbers exposed entitled him to a piece of cheap jewelry, or should he win a costly prize the proprietor could pay for the same in money. McDonald was arraigned in the Police Court this morning, fined \$5 and his paraphernalia and stock confiscated.

## The Firefighter.

As was stated in the Gazette, the Fire-fighter, the new boat built for the Commissioners of the District of Columbia by the Harlan & Hollingsworth Company at Wilmington, Del., passed up the river yesterday afternoon. Upon her arrival in Washington she was saluted by several excursion steamers which were preparing to leave their docks. The boat will not be put in commission before the 1st proximo. It is said that there are several defects in the Firefighter which are to be remedied before the boat will be accepted by the commissioners.

## Dredging the River.

The big dredging machines employed in deepening the shoal spots in the river channel in the vicinity of Marshall Hall and near Clifton Beach are now winding up their work under the present appropriation, and within the next week, it is stated, will be ready to return to Baltimore, unless the War Department officials determine to use \$10,000 appropriated by the last Congress. In that event the dredges will be kept at work until some time in July.

## Police Court.

Justice W. H. May presided in the Police Court this morning in the absence of Justice Caton.

The following cases were disposed of this morning:

John H. Parnell, colored, arrested by Officer Patterson charged with being an accessory to the stealing of a pair of shoes from Mrs. Bertha Heyman, was dismissed.

William Wiley, arrested by Officers Allen and Bell charged with an assault on Thomas Nugent with a knife and with destroying property, was fined \$5.

James McDonald, arrested by Officers Beach and Nicholson charged with running a gambling device adjoining the old fair grounds, was fined \$5 and his paraphernalia confiscated.

Joseph Haynes, colored, arrested by Officer Roberts for drunken and disorderly conduct, was fined \$2.50.

A white man, arrested by Officers Beach and Nicholson charged with interfering with an officer in the discharge of his duty, had his case postponed until tomorrow night.

William Hicks, colored, arrested by Officers Beach, Lyles, Allen, Ferguson and Knight charged with cutting Minnie Moore in West Virginia, was held for the authorities of that State.

Rose Barrett, arrested by Officers Bettis and Nicholson charged with harboring minors, was fined \$10.

Joseph Barrett and Richard Vaughn, arrested by Officers Smith and Nicholson charged with vagrancy, were fined \$5 each, and Mary Vaughn, charged with a similar offense, was fined \$10.

About 50 members of the organization took an electric train at the intersection of Royal and Prince streets at 8:30 o'clock for Washington, at which point they will take a Baltimore and Ohio train for Hagerstown. They were accompanied by a drum corps from this city. The Alexandrians will return tomorrow night.

## The Electric Railway.

The officials of the Washington, Alexandria and Mt. Vernon Electric Railway are preparing to greatly improve the service, and with this object in view Superintendent Joseph Colvin is making a new schedule that calls for a number of additional trains during the rush hours, both morning and afternoon. The new schedule will go into effect in a week or ten days. It is expected the section of the new double track from St. Asaph to Four-mile run will be ready for service in about two weeks. Work on it is now being pushed rapidly.

## The Eagles.

Alva Airie, Fraternal Order of Eagles, of this city, will give their first excursion on Thursday to Marshall Hall. The excursion will be a complimentary affair and the committee—Messrs. Harry Fleischmann, Lee Strausburger, Thomas Chancery and D. J. Normoyle—in charge will spare no pains to insure all who attend a pleasant time. This order has had a rapid growth since its introduction in this city.

## Excursion.

Fitzgerald Council, Knights of Columbus, with a large number of their friends went on an excursion to River View today. The weather has been propitious and all who availed themselves of the opportunity to spend the day at that pleasant resort have enjoyed themselves. A boat will leave at 7:30 this evening in order to accommodate those who were unable to patronize the excursion during the day.

## Struck by a Train.

A wagon belonging to Smoot & Co., loaded with building material, was struck by a train in the Washington and Ohio Railroad yard yesterday evening and the vehicle and contents smashed. Robert Goodrich, the driver, was painfully injured, as was also Washington Bird, colored, who was on the wagon at the time of the accident.

## Death of Former Resident.

Mr. Daniel M. Griffith, formerly a resident of this city, died at his home in Washington on Saturday last and was buried there today. He was 77 years of age and for many years was a gunsmith at the Washington navy yard. The deceased was a brother of the late Kinzey Griffith, of this city.

## Colored Man Drowned.

While pushing a loaded truck from the steamer Harry Randall to the wharf in Washington yesterday afternoon, William Perry, colored, made a misstep and fell from the gang plank into the river and was drowned. The crew and some of his fellow-workmen recovered the body with boat hooks half an hour later.

Workmen are engaged in repairing and renovating Armory Hall.

## Personal.

Mr. H. B. Caton left this morning for Hagerstown, Md.

Chief Webster of the police force accompanied the Friendship Veteran Fire Association to Hagerstown, Md., today. During his absence Lieutenant Smith will act as chief and Officer Roberts as Lieutenant.

Miss Marguerita D. Mattingly, youngest daughter of Mrs. John H. Mattingly, of Hyattsville, Md., and Mr. Murray Sands, of Baltimore, were married at the rectory of St. Mary's Church, in this city, Saturday, by Rev. Father Cutler.

Miss Alice L. Brooks, of Washington, who has been visiting in this city during the past week, was suddenly called to her home last night on account of an accident to her favorite horse, "Star," during her absence. Miss Brooks is an excellent horsewoman and delights in a gallop through the parks and suburbs of the national capital on her fine horse. Her many friends here hope that she may complete her visit in this city, as many entertainments have been arranged in her honor.

Mr. Harry M. Head and Miss Daisy L. Herbert will be married at 8:30 o'clock this evening at St. Mary's parsonage by Rev. Father H. J. Cutler. Miss Fawcett, Miss May Snowden and Miss Dorothy Givewood will give a tea at the Golf Club House on the afternoon of Friday, June 9, from 5 to 7:30 o'clock.

Police Justice Caton has gone on a short vacation and Judge Barley has appointed Justice W. H. May to act as police justice till Judge Caton returns.

## Reception.

Those who attend the reception to be given by the ladies of St. Paul's Church at the Parish Hall tomorrow night will have the opportunity of spending a pleasant evening. The admission fee, 25 cents, includes the price of refreshments, which will be served by charming young ladies. ## FOREIGN NEWS.

Six men were drowned, near Palermo, Sicily, today, during the course of experiments with a new submarine vessel. The announcement is made that Kaiser William has raised Chancellor von Buelow, chancellor of the empire, to the rank of a prince in recognition of his excellent services in behalf of Germany.

A message received from Swatow, a treaty port in the province of Quing-tong, China, says that four Russian auxiliary cruisers and one large cruiser were sighted near that port on June 4.

A patriotic league, composed of high officials of Russia, has prepared a list of persons who are said to be traitors to their country, which has been presented to the government with a strong recommendation that the accused parties shall be dealt with according to martial law. This list is said to contain 3,000 names, among them being many prominent men. The action of the league has caused the greatest alarm among those who have taken an active part in the reform movement in Russia.

## A Fearful Fate.

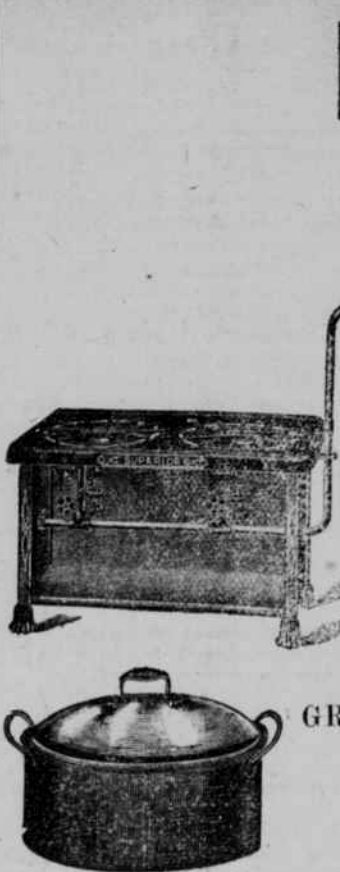

It is a fearful fate to have to endure the terrible tortures of "Piles," writes Harry Colson, of Masonville, Ia., "that for Blind, Bleeding, Itching and Protruding Piles, Bucklen's Arnica Salve, is the best cure made." Also best for cuts, burns and injuries. 25c at E. S. Leadbeater & Sons Druggist.

## Cuban Diarrhoea.

U. S. soldiers who served in Cuba during the Spanish war know what this disease is, and that ordinary remedies have little more effect than so much water. Cuban diarrhoea is almost as severe and dangerous as a mild attack of cholera. There is one remedy, however, that can always be depended upon as will be seen by the following certificate from Mrs. Minnie Jacobs of Houston, Texas: "I hereby certify Chamberlain's Colic, Cholera and Diarrhoea Remedy cured my husband of a severe attack of Cuban diarrhoea, which he brought home from Cuba. We had several doctors but they did him no good. One bottle of this remedy cured him, as our neighbors will testify. I thank God for so valuable a medicine." For sale by Gibson & Timberman and W. F. TO THE OWNERS OF DOGS. Mayor's Office, Alexandria, Va., June 1, 1905.

All persons owning or intending to keep any animal of the dog or canine species must come forward on or before

JUNE FIFTEENTH, 1905, and take out a license for the same from the Auditor. After the NINETEENTH OF JUNE all persons owning or harboring dogs without the required license can be fined (as the laws on the subject require) \$5 for every dog so owned or harbored.

Complaint has been frequently made that many persons fail to take out their license, and that others pay on one or two dogs when they own and harbor more, or who send such dogs away during the summer months and bring them back in the fall.

The police officers will be required to report all violations of this law. Persons who make application for licenses would do well to write their names and number of residence, street, &c., on a card or paper when making application for their licenses to the Auditor. F. E. D. J. PAPP, Mayor.
